The main content area is titled 'Opgavebesvarelse' (Task Answer) and features a dark green header with a cartoon character pointing to the right. The header text reads: 'Når du har lavet s. 27-28 og s. 29-30, skal du aflevere dem her (tage billede af dem). Husk at skrive pænt!' (When you have made p. 27-28 and p. 29-30, you must submit them here (take a picture of them). Remember to write neatly!). A small trophy icon and the text 'Tilføj til min portefølje' (Add to my portfolio) are also present. Below the header, it says 'Du har ikke afleveret en opgavebesvarelse endnu' (You have not submitted a task answer yet).

The main content area contains a dashed box with a 'Tilføj indhold' (Add content) button. Below this, it says 'Du skal aflevere din opgavebesvarelse, når du er klar til at få feedback' (You must submit your task answer when you are ready to receive feedback). There is an 'Aflever besvarelse' (Submit answer) button. At the bottom, there is a 'Historik' (History) section with a '+ Skriv kommentar' (Write comment) button.

3. Tryk på “tilføj indhold” og vælg “billede”.

4. Vælg billedet fra listen og tryk “åbn”.

5. Skal du tilføje flere billeder, så gentag punkt 3 og 4.

6. Når alle billeder er lagt klar, trykker du på “aflever besvarelse”. Nu kan læreren se besvarelsen.
